She just called and likes to assist you for an issue you requested at Durham Chamber event. She's in your contact list. I notified her that you are absent this week due to a personal issue. Please contact her when you have time.

Good afternoon. Per our phone conversation, my understanding is that Rep. Insko had an issue she brought up and requested assistance on at a recent Durham Chamber event. I am most happy to help. We've had some changes in our team and I am now her liaison to Duke Energy. I'd love to provide a general update at her convenience as well. Thanks!

Thank you,

Kelli
